EXHIBITS

Lafayette Savings & Loan - An exhibit is up there showing the work of Mrs. Boucher's third grade class at St. Perpetua's. These fine examples show the results of research done by the students. The students interviewed residents, took pictures, took the historic walk and made grave rubbings to present an excellent exhibit of early Lafayette.

Walnut Creek Civic Arts Gallery - 1641 Locust St., Walnut Creek - An exhibit entitled,"Diablo Valley in Focus: Past and Present," is now open and will last through June 10. It features a few of our pictures. Our note paper, post cards and maps of early Lafayette are on sale there.
